Introduction to Agora

Comfortable to sit on thanks to the bowl-shaped seat and rounded back, our Agora Chair is essential to cafes and break rooms, collaboration spaces, meeting rooms and event spaces. Agora stacks up to four chairs high so you can store them away when not in use and easily pull them out when you need them.

Care + Maintenance

Clean with a damp, soft cloth or sponge using lukewarm water.

Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams and citrus) should not be used.

Metal or synthetic sponges and scourers should not be used as they may leave permanent marks or scratches on the surface.
