INTRODUCTION TO PODZ

Podz is an innovative, multipurpose table system designed and developed by VE Furniture.

Engagement and creativity is vital for gaining new insights and innovation. The Podz range includes a huge selection of free-flowing, modular, multipurpose tables that encourage people to come together and see things differently.

Offering multiple options for creating flexible-learning classrooms, Podz lets students decide where and how they are going to work.

Podz provides options that empower students to sit, stand, focus, collaborate, make and learn.

Podz is the perfect collection of products to super-charge culture and minds.

This guide contains multiple products from the Podz Multipurpose Table range which have been curated into one specification guide for your convenience. Note that each product may be subject to different pricing terms and conditions based on finishes selected.
